ART BOOKS

∞ Sé verlas al revés (poéticas de la permutación)

Edition of 300 numbered and signed copies — 2015

Facsimile edition of a map that explores the poetic potential of the Latin alphabet, from the precise clicks of the Khoisan and the infinite anagrammatic fields of Unica Zürn. This edition reproduces the notes I made in 2013 for the piece Sé verlas al revés / I can see them backwards.

∞ ABECEDA, Ballet Triádico

Artist's book that collects the ballet premiered at the Arriaga Theater on the opening of the BAD 2009 (Festival of Theater and Contemporary Dance in Bilbao)

300 copies — 2011

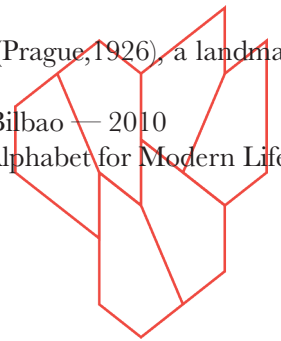

Text: Francisco Javier San Martín — Typography, calligraphy, dance.

∞ Divertimentos tipográficos

A primer based on the book *Abeceda* (Prague, 1926), a landmark for the Central European Vanguard and the leading exponent of Poetism.

400 copies — BilbaoArte Foundation, Bilbao — 2010

Text: Odile Cisneros — *Abeceda, An Alphabet for Modern Life*.
